Dear Sir,

Thanks for your suggestion regarding the Rev. Seminarian late Overbrook -

With the medals you mention I am familiar. The last is not medical - The "Physique" apparatus to Geographers - The others are too high -

Of no 2, there are two varieties - On one, under shoulder GAYRARD F. & beneath, DE PUYMAURIN D. & on reverse ANDRIEU — FECIT. DE PUYMAURIN D.

On the other, shoulder ANDRIEU F. & beneath, PUYMAURIN D. & on reverse PUYMAURIN DI.

Which is yours, 2 You say "DE PUYMAURIN F." Are you correct in this?

I have not obtained the Phila Hospital Training School yet — but I have added very largely to my collection since I heard from you last.

Sincerely yours

H. R. Stroud

Dear Sir.

Your Elberfeld, which I return, is
Silver beyond doubt - I do not care for it,
as I already have it in copper - Pfeiffer
+ Roland (IV. 176) speak of its occurrence
in silver - "Es kommen auch Ausprägungen
in Silber vor." Please acknowledge it
receipt, by postal card -

Dear Sir, I regretted not seeing you when here, but I was at the time quite ill.

It was very thoughtful of you to send the pamphlet —

I am always glad to hear when you have anything of interest to say in the line of research.

Dear Sir,

I received yours of 2d relative to medical degree Townsend, & have delayed answering, that I might obtain proof of his having been a physician. This I have failed to do. I will take it, however, if you can furnish me with the desired evidence.

Sincerely yrs
H. R. Storer

Dear Sirs,

Said nothing on approval, - merely list + prices, which must not be prohibitory - Should either of you be in Boston, do not fail to see collection at the Medical Library, & the Fenway, of which my son, Dr. Malcolm S., of 5 Brimmer St. + 426 Boylston St. is the Curator - I think you will be surprised at its extent - It is constantly increasing -

Sincerely yrs
H. R. Storer
